Kouri Insurance was established in 1970. Our goal is the same as when we started – to combine excellent insurance plans with service that is professional and personal. We have invested in people who know the insurance industry and have roots in our community and a deep commitment to service. We'll work with you to develop comprehensive insurance plans to cover your:

- **AUTO**

- **HOME**
• Your home represents a large share of your financial wealth. Protect your investment with the best insurance and value. We have a choice of plans for both your home and personal property.
- **BUSINESS**
• If you own a small to medium size business, Kouri Insurance has the products and the knowledge to provide solutions to your needs.
- **LIFE**
• We offer peace of mind by offering Term, Universal and Whole Life plans to ensure your family's well being.

• Did you know that it might be less expensive to insure your dependents on their own as opposed to covering them under your employer-provided plan? We work with you to find the right coverage for your family.

value

The best way to serve you is to give you the best value for your money. That's why we work with financially sound, respected companies - to offer you the right insurance at the right price. Among the many companies we represent, we are proud to include State Auto Insurance.

- **STATE AUTO INSURANCE**
• State Auto is one of only 15 companies to be ranked A+ or higher by A.M. Best Company for the past half-century.

- **TRUSTED CHOICE AGENCY**
• Kouri Insurance is a Trusted Choice® agency.
• We earned that status by being committed to providing clients with excellent customer service.

commitment

Our roots are right here. We have built a reputation based on our experience and knowledge of the industry, a commitment to service and an understanding of this community that can only come from living and working right here. And we want to share our coverage, value and commitment with you.

- *"I get a lot of personal, individual attention, and the service I receive is always prompt. I feel like Kouri goes above and beyond for us at all times."*
